

Aleratec 1:11 HDD Copy Cruiser™ Hard Disk Drive Duplicator and Sanitizer Part No. 350109

Works with SATA I/II Hard Disk Drives

The Aleratec 1:11 HDD Copy Cruiser is a powerful, standalone hard drive duplicator that can create a whopping eleven clone hard drives simultaneously. It can also securely wipe all the data from up to twelve hard disk drives at a time with your choice of three comprehensive sanitization algorithms: a one-pass wipe, a three-pass wipe with verify, or a powerful seven-pass wipe as recommended by the Department of Defense 5220.22-M specification. The unit is compatible with 3.5” internal SATA I/II hard disk drives and can accommodate 2.5” internal SATA I/II hard disk drives with optional adapters (P/N 350106), sold separately. Finally, the 1:11 HDD Copy Cruiser features tool-less, easy-load hard drive bays and Non Scratch SATA connectors designed for greater than 50,000 swap cycles, minimizing worries about drive connection issues and damage to your hard disk drives.

Stand Alone, No Computer Required

- Duplicate up to 11 Hard Drives simultaneously
- Sanitize up to 12 Hard Drives simultaneously with Overwrites as recommended by Government Agencies
 - ✓ One Pass
 - ✓ Three Pass with Verify
 - ✓ Seven Pass DOD Wipe 5220.22-M
