Protection from Identity Theft and Fraud

Identity theft and fraud are our nation's fastest growing crimes. Last year ID theft cases increased by 12% amounting to 11.1 million in the United States alone, while the total annual fraud amount increased by 12.5% to \$54 billion according to Javelin Strategy and Research. Aleratec is continuing to do its part in this fight.

With the DVD/CD Shredder Plus DS18 brought to you by Aleratec, the Prosumers' Choice, you have a pro-active solution. Protecting yourself and your business is practically effortless with this cutting-edge desk side shredder which makes slicing up Blu-ray discs, DVDs, CDs, credit cards and paper simple and easy. Use it in your government organization, business or home office!

The DVD/CD Shredder Plus DS18 is the ideal solution for your government organization, business or home office. Armed with this tool, you can shred bills, financial data, business proposals, research, development plans and any other confidential material that is stored on CD, DVD, Blu-ray discs, credit cards, or paper. This Media Shredder will save you, your business and your family restless nights, not to mention a possible ton of money. And...it's only from Aleratec.
