### Protection From Identity Theft and Fraud

Aleratec is proud to offer the simplest, quickest and easiest method of preventing unauthorized use of sensitive data recorded on your discarded discs. With confidential paper documents, expired credit cards or complete Blu-ray, DVD or CD discs falling into the wrong hands, all of your personal financial records or business customer lists, an entire accounting system or more could be lost or used against you. With the growing threat of hazards like identity theft the DVD/CD Shredder XC2 provides protection and peace of mind at a low cost.

Using a DVD/CD Shredder XC2 is an easy step you can take to minimize your risks. The DVD/CD Shredder XC2 is the ideal security tool for corporate, government, education and personal applications. Protect your business and protect yourself! - with the Aleratec DVD/CD Shredder XC2.
