

Aleratec® 1:11 USB Copy Cruiser SA™
11-Target Standalone USB Duplicator
Part No. 330107

The 1:11 USB Copy Cruiser SA is a compact and standalone flash drive duplicator, providing a new, fast and economical way to duplicate information to multiple flash drives. This amazing device can copy to, compare, and erase up to 11 flash drives simultaneously. All of these functions are controlled with a simple, intuitive four-button interface and backlit LCD display. Because its standalone, duplicating flash drives does not require tying up your computers or any other equipment. The Aleratec 1:11 USB Copy Cruiser SA takes the hassle and high cost out of trying to copy USB flash drives, making it easy to duplicate marketing presentations, sales collateral, promotional content, video clips, applications and more.
