

LINCOLN TV LIFT WITH SIDE CABINETS (20020, 20120/20220)

The Lincoln mid-sized TV lift with matching side cabinets has a clean traditional look that fits easily into many different interior designs. Finished in a modern espresso stain with brushed nickel hardware, The Lincoln comes with two interchangeable sets of doors - one in the matching Espresso finish and one in a textured "wavy" glass. Side cabinets provide ample storage for components.

Beautiful Construction

- Solid birch and birch veneers with **espresso** stain and 7-step finishing process
- English dovetail joints and brushed nickel hardware
- Integrated component storage with 6 media storage shelves, includes both **glass** and **wood** doors.

Unique Features

- Patent-pending lift and mounting mechanism with proprietary anti-collision safety technology
- Accommodates televisions between 37" and 42" (and some 46")
- Built-in RS232 port compatible with home automation systems
- Lift controlled by wired handset or IR remote control
- Modular plug-and-play system allows for easy replacement of all lift components and electronics
- Easy 10 minute installation!
- Removable rear doors provide easy access for component set up
