

MARINO TV LIFT CABINET (10050)

The Marino TV Lift Cabinet conveys classic elegance with its detailed neo-classical column work and warm suede finish. Accented with solid brass hardware for an elegant old world aesthetic.

Beautiful Construction

- Solid poplar and birch veneers with **suede** stain and 7-step finishing process
- English dovetail joints and solid brass hardware
- Integrated component storage with 6 media storage shelves

Unique Features

- Patent-pending lift and mounting mechanism with proprietary anti-collision safety technology
- Accommodates televisions between 37" and 50" (and some 52")
- Built-in RS232 port compatible with home automation systems
- Lift controlled by wired handset or IR remote control
- Modular plug-and-play system allows for easy replacement of all lift components and electronics
- Easy 10 minute installation!
- Removable rear doors provide easy access for component set up
