What Our Clients Think About Us

"You guys are great! Thanks! I have been using Media Supply for many years and always appreciate your work."

Christina

"Thanks for your help with our project. The DVDs looked great and our client was very happy."

Kim

"The DVDs arrived today and they were even better than I could imagine. Please thank your entire team for the cover, the DVD label and the processing of our project. Honestly, we are deeply indebted to you for being so prompt, professional and helpful."

Lorna

GET A LIVE QUOTE RIGHT NOW!

You have our catalog, and you can see everything Media Supply offers in duplication services. Well, now you can also get an instant quote with our latest pricing updates and lead times. Just visit MediaSupply.com, click the “Get a Quote” button at the bottom of any page. You’ll be directed right to our instant quote tool. Pick out your packaging choice, media type, print quality, and select from the many other options we offer for your custom project.

4 Color Print Included - No hidden charges here. Where many shops hide the fact they only offer 3 colors in their base pricing, Media Supply delivers 4 color print with every price quote.

CUSTOM USB FLASH DRIVES

PREPRINTED & LOADED

Media Supply offers custom USB flash drives for marketing with your company, organization or school logo on the USB flash drive. Custom USB flash drives with your logo work great for school students, marketing, trade shows and customer gifts. The drives are reusable, so they keep your name in front of the user all the time.

All our pre-printed USB flash drives include:

- Two color logo print
- All new "Tier 1" memory--no used memory in our drives
- Free setup charge
- Lifetime warranty

Media Supply has some great ideas and concepts for packaging your USB flash drive, from simple to really unique.

CUSTOM SHAPE USB

Custom molded USB drives don't need to be expensive

Media Supply offers stylish, convenient and affordable custom molded USB flash drives in almost any shape you can imagine. Turn your company, school or team logo into a custom molded PVC flash drive. They're perfect for commemorating a special event, meeting or marketing project.

No Surprises

The first step in our custom molded PVC flash drive process is a PDF proof. You'll see a mock-up of your artwork, where you can color check your exact Pantone colors, as well as review the details of your design.

Fast Service

Media Supply delivers projects of 1,000 units or less in 10-13 days, with PDF proofs as soon as 3-4 days.

Call us at 800-944-4237 x112 for more information and a current quote.

CUSTOM MOLDED PVC FLASH DRIVE ORDER DETAILS	
Order minimum	100 peices
Memory available	512mb to 32 GB
Tooling cost	\$100 (No fee on orders over 500 pcs.)
Proof availability	4 days (PDF)
Production Lead Time	10-13 days
Graphic file required	Vector (AI, PSD, CORELDraw)

PLACING YOUR ORDER?

Here's how to get started.

1. Contact us at 1-800-944-4237 and send us your artwork.
2. We'll check that your artwork will be usable for creating a custom molded PVC USB drive.
3. You'll receive a proof in a PDF file within 4 days.
4. You'll need to verify your artwork and your colors.
5. Once confirmed, we move to production. Normal lead time is 10 -13 days, depending on quantity.
6. Shipping fees are dependent on your location, so we'll get you a quote at time of order.

SHORT-RUN DVD DUPLICATION

Let the pros get your job done fast and done right!

When quick turn times and low prices are important, Media Supply is your answer. We burn your data or video onto a disc and then print the disc using high-resolution, digital color print technology, offering quality higher than offset. Our digital color print gives you photographic quality, edge-to-edge disc print surfaces and fast turnaround times. We also offer the ability to print unique text on each disc.

DVD VIDEO COPY PROTECTION SERVICE

Protect your DVD against unauthorized copying.

Media Supply's video protection service guards against inappropriate copying of DVD content. This solution leaves the DVD's playback compatibility uncompromised, and original media content unmodified. While no digital copy protection solution is 100% bulletproof, Media Supply's video protection service stops all known ripping tools, providing protection for pre-release content and screener discs. This is not a content scramble, bad sector or content alteration method. Based on independent research, you can expect 99.6% playback compatibility on your video protected discs.

PROFESSIONAL AUDIO MASTERING SERVICE

Mastering your audio at a price you can afford.

You've come this far making your produced disk look special, so why not take to time to make it sound special? Media Supply now offers professional audio mastering services at a price you can afford. Our expert staff can get your performance ready for commercial release by:

- Raising the overall level
- Evening out song levels
- Improving disc cohesion by changing space between tracks
- Removing noise between audio tracks
- Adding ISRC codes for digital distribution

Call us at 800-944-4237 x120 for more information, or if you have any questions on our mastering service!

MASTERING SERVICE	PRICE PER DISC

CD AND DVD ARCHIVING

Get working copies (both label and contents) of your existing masters.

Media Supply now offers archiving services for your existing CD and DVD discs. Our CD and DVD archiving service can produce working copies of any usable disc, including a readable copy of the original disc label. No more need for manually copied disc with handwritten labels. We also offer watermarking of your copies. All prices include the disc and the label printing service.

Do you need an audit trail?

Media Supply offers full process auditing, so secure masters are accounted for throughout the process.

Call us at 800-944-4237 for sample output, for more information, or if you have any questions on our archiving service!

NUMBER OF ORIGINALS	PRICE	TOTAL
50	\$1.39	\$69.50
100	\$1.19	\$119
500	\$0.99	\$495
1,000	\$0.95	\$950
2,000	\$0.89	\$1780
5,000	\$0.79	\$3950

CD AND DVD ARCHIVING DETAILS

- Lead times are dependent on the volume of masters
- All prices are based on a single copy of each master. Call for pricing if you require more than one copy
- Duplicate disc label is slightly degraded from original, and handwritten disc with silver lacquer backgrounds can effect quality of copy print
- All prices include disc and printing
- Archive grade gold media is available

HELPING OUR CUSTOMERS ACHIEVE THEIR GOALS

Question Why Films is an independent production company that specializes in social-issue documentaries for film and television.

Founded by Nancy D. Kates and Bennett Singer, Question

Why produced *Brother Outsider*, a feature-length documentary portrait of the late civil rights and peace activist Bayard Rustin.

Rustin was a mentor to Martin Luther King, Jr. and the key organizer of the historic 1963 March on Washington. *Brother Outsider* was described as "brilliant" (*Wall Street Journal*), "poignant" (*Time*), and "beautifully crafted" (*Boston Globe*), premiered at the Sundance Film Festival, and was broadcast nationally on PBS.

Working with Media Supply on the DVD print and packaging, *Brother Outsider* received the Franklin Award at the 2010 GAA Neographic Exposition.

Media Supply is here to help you with your project too.
