

NEW!

# SPARTAN Blu-ray Series BD-R/DVD/CD Duplicator

## Your Perfect Solution: The New Spartan Blu-ray Duplicators!

Now you can duplicate Blu-ray discs with up to **10 times more storage capacity** (50GB) than a standard DVD (4.7GB)! Designed to offer high-speed duplication with strength and style, Spartan Blu-ray Series duplicators include all the professional features in a cost-effective package. Perfect for both personal and commercial use, Spartan Blu-ray Series duplicators are the fastest and most efficient way to make multiple copies of your high-definition digital files.

### Features:

- **Now Faster Burning Speed**- Faster Blu-ray burning speed — up to 4X (25GB) and up to 4X (50GB)
- **Now Available in up to 11 Targets** - Various options to fit your specific needs. Select from 1 Target, 4 Target, 7 Target and 11 Target
- **Master Error Proof** - MEP prevents duplication failure caused by disc errors. Simply exchange the failed master disc with a working disc without interrupting the duplication process.
- **Dynamic Hard Drive Partitioning** - DHP automatically adjusts hard drive partitions based on the size of your master disc.
- **Smart File Organizer** - Organize and access your master files using alphanumeric naming combinations for each disc image.
- **Dual-Level Security** - Provide separate Startup and Setup passwords for complete administration and protection against unauthorized users.
