

# SPARTAN MAX D2 Autoloader

*The Most Affordable and  
The Most Portable Autoloading  
Disc Duplicator*

## Maximize the Return of Your Investment!

Spartan Max D2, the most anticipated standalone autoloading disc duplicator, takes full command of all DVD or CD duplication projects. The compact yet powerful system automatically loads, copies, and detects discs. With MultiMaster Technology, the Spartan Max D2 differentiates master and blank discs, allowing multiple job assignments at a time. The disc drawer automatically locks to prevent accidental removal during the duplication process to ensure data integrity and system safety. The dustproof enclosure minimizes environmental contamination and disturbance. The Spartan Max D2 autoloader significantly improves efficiency and profits by saving time and cost for human effort. Ideal for small to medium sized DVD/CD duplication such as product catalogs, press releases, training materials, manuals, electronic books, business marketing, technical updates, conferences, and more. The new Spartan Max D2 delivers unsurpassed versatility and reliability.

## Features

- Standalone system. No computer required
